Thanks, Crystal! I know it's tricky with everyone's schedule and the R8 site visit.
I really appreciate it.

To Crystal Penman,

We are hoping to schedule this briefing at a time that works for Region 10 management, principally, Christine Psyk. A 9 AM start time is 6 AM for Seattle, and that is too early in the day. Also, is it possible to do this before 12/15, since we are urgently attempting to schedule a 3-way call with multiple parties on that date.

Thanks for understanding.
